ARIZONA
DRAGON BOAT
FESTIVAL

Presented by AZDBA

Benefitting Arizona Disabled Sports

In Loving Memory of
Karen Root-Ratke

August 15, 1968 ~ November 21, 2018

Karen was a member of the Phoenix Desert Dragons, Arizona Dragon Boat Association's Breast Cancer Survivor team, for approximately 8 years. She was diagnosed with breast cancer at the age of 31 years. Karen was a dedicated team member, who often pushed through her treatments to join the team on the water for Sunday morning training sessions. Karen's husband, Kevin, was a huge supporter of her love for dragon boating; he accompanied her to all of the festivals and became one of the team's biggest cheerleaders. While Karen enjoyed paddling at local and regional festivals, she was over the moon excited at the opportunity to paddle internationally. In July 2018, Karen, along with Kevin, joined her team to participate in the International Breast Cancer Paddler's Commission Dragon Boat Festival in Florence, Italy.

The AZDBA is dedicating the 2019 Dragon Boat Festival's breast cancer survivor division race to Karen in honor of her memory.

Arizona Dragon Boat Association

The Arizona Dragon Boat Association (AZDBA) is a non-profit, 501(c)(3) organization, whose goals are to promote dragon boating as an opportunity for our youth, adults, seniors, and corporate employees to become an equal member of a team, while having fun, enhancing their own personal fitness, creating friendships, and developing respect for team members, and promoting awareness of cultural diversity.

The organization was founded in 2003 and has since successfully hosted 15 dragon boat festivals at Tempe Town Lake. The 2018 event featured 113 dragon boat teams with over 10,000 spectators and participants, and raised donations for Arizona Disabled Sports.

The AZDBA offers year-round dragon boating at Tempe Town Lake. For more information, please e-mail us at info@azdba.org or visit us at www.AZDBA.org.

Welcome to the 16th Annual Dragon Boat Festival at Tempe Town Lake! Tempe is proud to host this exciting and fun event, while celebrating our community's diversity and engaging in a spirited and colorful competition.

The members of the Dragon Boat Association work hard to beautifully integrate art, athleticism, family entertainment and community service. While fun and laughter is a part of the day, the members of the Dragon Boat Association should also be commended for donating the proceeds of this event to Arizona Disabled Sports. Your commitment to giving back to the community is admirable.

On behalf of the City of Tempe, we thank the Dragon Boat Association and its supporters for making Tempe your home this weekend, and we wish you the best of times!

Sincerely,

A handwritten signature in blue ink that reads 'Mark W. Mitchell'.

Our festival is the first event of the racing season for most of the participants and one that many teams have been a participant in for many years running. We have been acclaimed as being a well-run event by many of our peers. We can attribute that to the many volunteers who have given so much of their time and effort each year to make the festival flow smoothly.

We can also boast a varied field of racers. These include mixed teams, gender teams, college, special needs, breast cancer survivor, masters and youth.

We hope you enjoy the competition and look forward to seeing you again next year.

President, AZDBA

Letter from Festival Directors

We are excited to have you all back in Tempe again for the 16th Annual Arizona Dragon Boat Festival! A special thanks to all the teams, paddlers, volunteers, sponsors and vendors who have supported us over the past 16 years and a warm welcome to those who are with us for the very first time. We greatly appreciate your participation, generosity and enthusiasm! Our festival vendors are excited to be here this year and have lots of great food and goodies to pick up. Please stop by Excel and pick up festival apparel or other festival memorabilia!

Have a fun and safe weekend of racing!
